
Prepare to be moved...

DanceSport Grand Prix Canada Inc. is a not-for-profit organization, created to administer and operate a unique and exciting venture aimed at providing a high-class event for Dancesport competitors and spectators from all over North and South America, Europe, Asia, Africa and Australia. Managed by experienced and world-renowned dancesport coaches and adjudicators and recognized by Canada DanceSport as well as the World DanceSport Federation, this project has become the biggest and most successful dancesport event produced in Canada.

Set in the state of the art, recently built *Pan Am Centre in Markham, Ontario*, the event brings to Canada the excitement and glamour of Dancesport. Competitive ballroom dancing, or Dancesport is an Olympic Committee recognized sport and is gaining popularity from people of all ages from 5 to 95 years old and is being introduced in schools and throughout the communities as well as popularized on TV through shows and movies¹. The values conveyed by this sport are identical to what Canada stands for: Respect, Inclusion, Health, Discipline, and Fairness.

This year Dancesport Grand Prix Canada will run a 2-day event and will feature the WDSF Professional World Championship Adult Standard category, which will bring top competitors from over 15 countries into Canada. It will also feature World Open events in all other age groups, levels and styles. In addition, throughout the year we organize a number of supporting events and publicity activities that showcase our sponsors and partners. This year we are proud to be supported by the Ministry of Tourism, Culture and Sport of Ontario as well as Celebrate Markham.

It is only through the contribution of sponsors and supporters that we are able to provide an event of high international caliber to Canadian athletes and the public. By sponsoring us, you will receive a strong national and international visibility package that could only be provided by a world class sports event. Promotional opportunities are provided through logo and ad placement on printed materials, website and social media links, printed souvenir program, photo backdrops and a large LED screen during the event which will be live-streamed.

Your support is precious to us, regardless of the level of investment you choose. Moreover, as we are a not-for-profit organization, proceeds from the event will go to support DanceSport athletes in Ukraine, Canada DanceSport, and Smiles-in-Action, an organization aimed at improving the lives of kids, youth and seniors in Canada through sport, dance, health and fitness.

Please help us make this project an unforgettable experience and join us in this wonderful adventure!
